

North Louisiana Equestrian Association  
Board Meeting  
June 1, 2010

Members present: Katie, Sig, Erin, Judy, Martha, Donna, Paul, Maggie, Amanda, Megan

Absent: Wendy, Raegan, Hal (all excused)

Meeting called to order: 7:01 pm

The club needs ice, drinks, cups etc. to bring to show instead of doing the potluck because the concession will be open and members are concerned about taking business away. Erin can bring ice, Sig will bring cups and a trash can for empty cups. Judy will bring water as well.

Donna reports for Wendy as Treasurer that the club has filed for extension on taxes and that the account balance is \$12,344.00

Paul moved that the club has an accountant do the books and taxes each year. Seconded and carried.

Katie will do courses for the K-9 show and donate time instead of Caroline Sibley. Kathryn McFadden wanted to know if she needs to hire a steward for the show. The board all agrees she should and will discuss who will be attending. That trainer/individual can be steward.

Katie also motioned that the jumpers start with the higher levels for the September show as the day will be shorter. It will not be so difficult for lower levels to jump at dusk. Motions seconded, carried.

Donna needs people to help set jumps Thursday. Paul said the jumps are painted, stained and on the trailer. Last show they left jumps in the ring. Maggie, Martha, Donna and Paul will set jumps. Katie will do courses and fax to Donna. Help will be needed at the backgate. It was suggested maybe Haley Bagwell or Morgan can help.

There was a rule violation from the last show. Paige Hewlett showed in Long Stirrup and it not eligible. It was stated that they need to be talked to about not showing in junior or amateur divisions.

Wendy needs to get results up on website from last 2 shows as well.

Double Rainbow submitted a bill for replacement jumps and will give to Wendy.

Next meeting set for July 19, 2010.

Meeting adjourned 7:56 pm.
